___ One spiral notebook

General Supplies needed for all classes

___ A supply of loose-leaf paper in school and at home for the **entire year**

___ Pencils and erasers for the **entire year**, both at home and at school. (**Your child must have a pencil with an eraser every day.**)

___ One soft pencil pouch to carry supplies from room to room (**No pencil boxes are allowed due to limited locker and desk space.**)

The following supplies are suggested

___ A box or two of tissues to share with the class

To do their best work, pupils must have the necessary materials. Your child must bring the above items for the first day of class in September. **It is also important that your child has pencils and paper at home.** The students will receive their student planner on the first day of school. Please check their planner daily so you know what work was assigned to your child.
